

GUTEX® Feinspachtel Data Sheet

Mineral-based, filler/ floating layer mortar

Product Features and Advantages

- Good bonding to all properly prepared, intact and suitable substrates
- High water vapour permeability
- Creates a surface suitable for many different wall coverings
- Easy to apply, excellent workability
- Superb plasticity
- Suitable for spray application with all common mix and continuous feed systems

Description and Materials

GUTEX Feinspachtel is a finely-grained mineral mortar for the filling of joints between precast concrete elements and use as a floating layer in 3-layer stucco systems.

Composition:

Calcium silicate, calcium aluminate, polymer powder, calcium sulphate, silica, calcium carbonate, silicate extenders, additives

Applications

GUTEX Feinspachtel is suitable for surfaces with fine to course surface structures.

Intended areas of use:

Interior

Instructions

Substrate:

Substrates must be intact, oil-free, dirt- and dust-free and free of any residues that could prevent effective bonding. The bonding of the base coat must be flawless. Moreover, the substrate surface must be uniformly dry at the time of application.

Substrate preparation:

- Check existing coats for suitability.
- Remove surface coatings that are not suitable for bonding.

Preparation for use:

Mix GUTEX Feinspachtel 3:1 with water

Application:

Apply and smooth GUTEX Feinspachtel with stainless steel trowel or finishing spatula. Apply next covering once it has hardened.

Equipment cleaning:

Clean and rinse with water after use.

Application temperature:

Lowest substrate and ambient temperature is 5°C.

Pot life:

At 20°C, approx. 90 minutes

Coverage:

Approx. 1 kg/m²

Drying:

Allow approx. 1-2 hours for each mm of coat thickness at 20°C and 65% relative humidity.

Additional Information

Packaging unit:

20 kg bag

Storage:

Store dry. Exposure to moisture may cause lumps to form.

Transport:

No special precautions or instructions necessary.

Disposal:

If the material is hardened, it may be disposed of, subject to local applicable laws, with regular household waste.
